Eidul Adha

Hazrat Khalifatul Masih V (aba) in the Eid Sermon delivered on July 21, 2021 quoted the Promised Messiah^(as) who said that if God only requires righteousness and the physical does not reach him, then what is the need for physical sacrifice? The Promised Messiah^(as) said that those who do not use their physical capacities, then the spirit is not impacted, for there is a connection between the physical and spiritual. Thus, physical actions have an impact on the spirit. In the same token, if a physical action is carried out without any spirit behind it, then that is dangerous and amounts to nothing.

knowledge of the unseen. Also, in keeping with the connotation of this verse, knowledge of the unseen requires Prophethood and Messengership. But since it cannot be received directly, one has to accept that the only way left open for receiving this gift is through Buruz, Zilliyyat and completely losing oneself in the Holy Prophet. Do reflect upon this. (A Misconception Removed, p. 9)

The Prophet (ﷺ) stated, "Any man whom Allah has given the authority of ruling some people and he does not look after them in an honest manner, will never feel even the smell of Paradise" (Bukhari).
